

Powering Your World

About Us

Draw on to our global outreach and local presence to accomplish your projects.

Wholesale Electric Asia (WEA) delivers complete, integrated solutions with three global and largest independent electrical distributors:

- CNW Electrical Wholesale
- Wholesale Electric Supply Co. of Houston, Inc.

Our Global Shareholder Structure

**WHOLESALE
ELECTRIC ASIA**

With more than 100 combined years of experience across site management and electrical capability, we ensure reliable supply and best pricing for you and your clients.

WEA Business Partnership:

- Proven successful track record in key industries
- Design, Engineering & Integrated Solutions
- World Leading Manufacturing partners
- Global Best Practice quality assurance, process controls & traceability

Exceed USD \$1B+
Global Revenues

2000+
Employees

Asia Operations
Singapore (HQ), Indonesia,
Philippines, Thailand,
South Korea, Japan/

**130+ Strategic
Locations**
Operations across
5 continents

Our Industries

WEA excels in providing solutions to global facilities and operating systems. We have successfully delivered for customers in Asia and around the world in markets such as:

Airports & Ports

Defence

Infrastructure

Oil & Gas,
Marine

Transportation

What We Do

Boost client profitability
by establishing all
material management
from project start
to completion.

Integrated solutions are the norm in today's fast-moving manufacturing landscape, and that's where WEA and our strategic partners come in.

Integrated Solutions

With an integrated solution, overall costs are reduced. Overall efficiency is increased and there is continuity and reliability across management, maintenance and system solutions.

FEED commercial support to
succeed, bulk packages elect
& instruction

FEED design analysis & cost
saving proposals, lighting,
cable ladder, SMART JB's

Low cost country
sourcing, QA/QC, FAT,
shipping cost out

Frame agreement with most
suppliers, quantity of 1 to 1,
cost out for the project

Job site material management
strategy, site operations
coordination meetings

Client post project site
MRO Management

Our Engineering Design Capabilities

We pride your success on our engineering design capability.

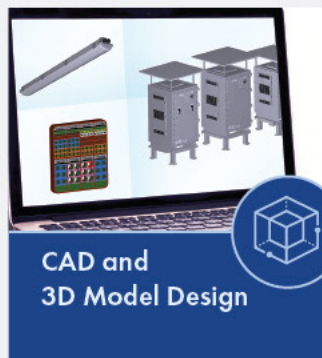

Our designs go through comprehensive analysis and stringent quality assurance to ensure their compliance, safety and productivity standards.

Lighting, DB, JBox Design

Comprehensive Lighting Analysis Conventional vs LED

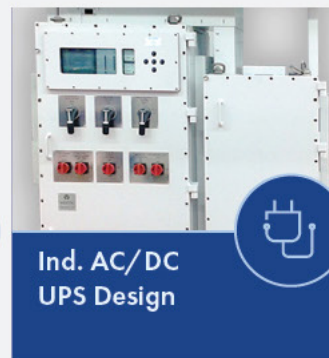

CAD and 3D Model Design

Multi Cable Transit (MCT) Design

Cable Tray & Ladder Design

Ind. AC/DC UPS Design

Accreditation

Standards

The WEA Solution: Construction Material Management System (CMMS)

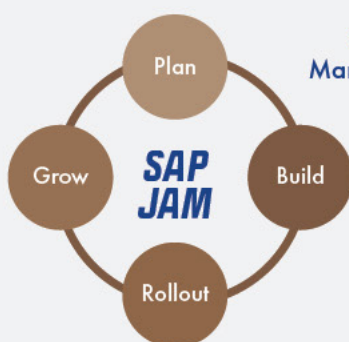

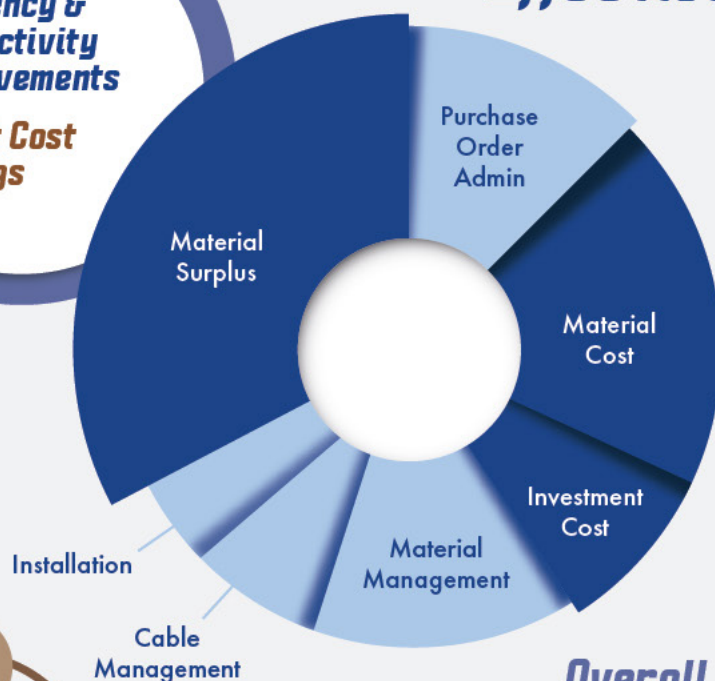

The Right Material, At the Right Time

Use CMMS to manage costs across material and management from beginning to completion.

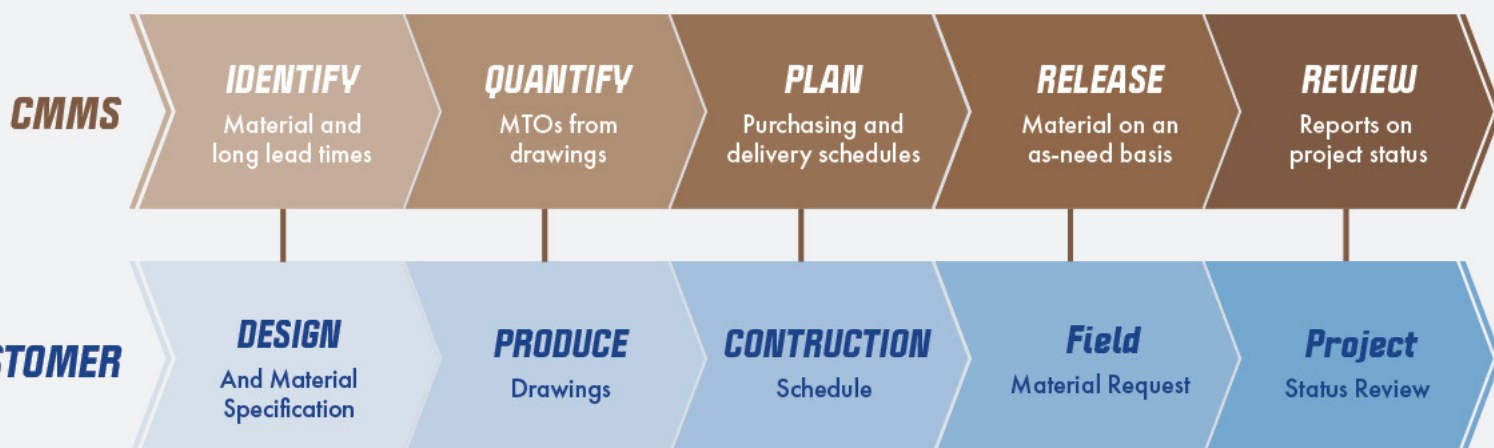

The Construction Material Management System (CMMS) integrates supply chain and logistics into one platform. With this customised software, clients are meticulously supported in efficiency improvement and cost reduction.

Cost Effective

Overall
Cost Savings
26%

Our Major Products

As part of the solutions to improve efficiency and drive productivity and safety, here are some groups of the essential product range WEA carry:

Uninterrupted Power Supply AC/DC (UPS) Systems, Battery Charging, Monitoring & Remote Diagnostic Systems

Optimised Cable Ladder, Tray Support Reduction Systems & Gratings

IEC/ATEX/NEC/CSA Indoor, Outdoor Marine/Offshore Industrial & Explosion proof LED Lighting & Control Systems

IEC/ATEX/NEC/CSA Indoor, Outdoor Marine Industrial & Explosionproof Power & Control distribution panels

IEC/ATEX/NEC/CSA LV/MV Enclosures, Junction, Interface boxes & EMC Cabinet Solutions

Multi Cable Transit (MCT), Pipe Transit & EMC Transit Solutions

IEC, UL, CSA, Marine/Offshore, Railway, Power, Instrumentation, Fibre Optic & Fire Retardant cables

Asia Project Experience

With our expertise, experience and resources of our strategic partners, WEA complete infrastructure and operational projects such as: ►

LNG Project Modules
Thailand, Philippines, Indonesia, China & South Korea

On/Offshore Rigs, FPSO, FLNG
Indonesia, Singapore, Thailand & South Korea

Transportation MRT
Singapore, Thailand & Taiwan

Renewables
Indonesia, Singapore, Thailand & South Korea

Defence Industries
Indonesia, Singapore, Thailand & South Korea

Connecting The World

Wherever you are, WEA powers your needs.

STRATEGIC GLOBAL NETWORK LOCATIONS

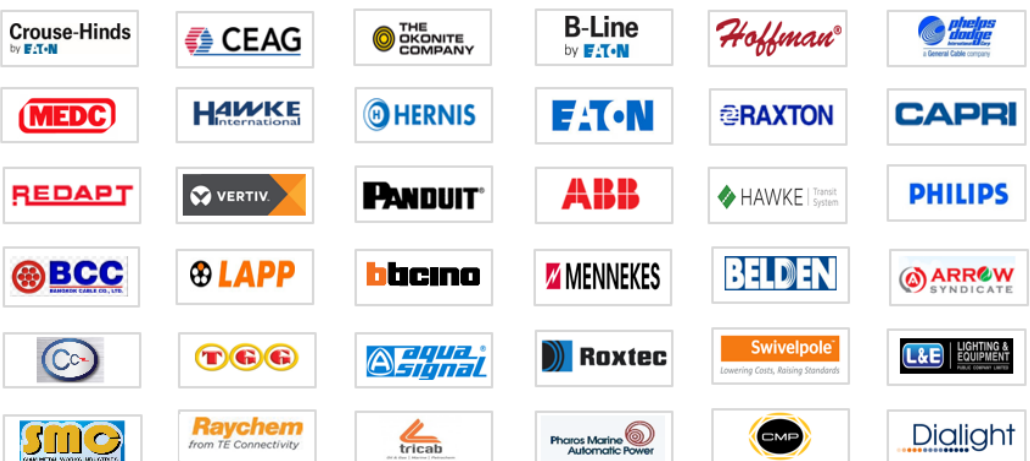

Our global network covers over 130 locations across 5 continents, such as: Australia, England, Kazakhstan, Singapore, Azerbaijan, India, Korea, Thailand, Canada, Indonesia, Dubai, Iraq, Scotland, Philippines and USA.

WHOLESALE ELECTRIC ASIA LOCATIONS

Singapore (HQ), Bangkok-Thailand, Jakarta-Indonesia, Manila-Philippines, Seoul-South Korea, Shenzhen-China (Joint Venture).

Global Manufacturing & Strategic Partners

Our strategic partners consist of Japan and USA. Supporting us to power your needs are our established partners:
